# **Independent Practitioner's Reasonable Assurance Report on Compliance with the Public Sector Compensation Disclosure Act**

---

To the Board of Directors of Family Service of Eastern Nova Scotia:

We have undertaken a reasonable assurance engagement of Family Service of Eastern Nova Scotia's (the Agency) compliance with the *Public Sector Compensation Disclosure Act* (the Act) for the year ended March 31, 2020. The Act requires disclosure to the public of the amount of compensation the Agency annually pays or provides, directly or indirectly, to any board member, officer, employee, contractor and consultant if the amount of compensation is one hundred thousand dollars or more (the specified requirements).

## **Management's Responsibility**

Management is responsible for the Agency's compliance with the specified requirements of the Act. Management is also responsible for such internal control as management determines necessary to enable the Agency's compliance with the specified requirements.

## **Practitioner's Responsibility**

Our responsibility is to express a reasonable assurance opinion on the Agency's compliance based on the evidence we have obtained.

We conducted our reasonable assurance engagement in accordance with Canadian Standard on Assurance Engagements 3531, *Direct Engagements to Report on Compliance*. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether the Agency complied with the specified requirements, in all significant respects.

Reasonable assurance is a high level of assurance but is not a guarantee that an engagement conducted in accordance with this standard will always detect a significant instance of non-compliance with specified requirements when it exists. Instances of non-compliance can arise from fraud or error and are considered significant if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report. A reasonable assurance compliance reporting engagement involves performing procedures to obtain evidence about the entity's compliance with the specified requirements. The nature, timing and extent of procedures selected depends on our professional judgment, including an assessment of the risks of significant non-compliance, whether due to fraud or error.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

## **Independence and Quality Control**

We have complied with the independence and other ethical requirements of the Chartered Professional Accountants of Nova Scotia Code of Professional Conduct.

The firm applies Canadian Standard on Quality Control 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance Engagements* and, accordingly, maintains a comprehensive system of quality control, including documented policies and procedures

regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

**Opinion**

In our opinion, the Agency complied with the specified requirements established in the *Public Sector Compensation Disclosure Act* for the year ended March 31, 2020, in all significant respects.

We do not provide a legal opinion on the Agency's compliance with the specified requirements.
